Who can join JobCard Education courses?

Anyone! Our courses are designed for students, beginners, and job seekers who want to learn practical skills – no prior experience required.

Are the courses free or paid?

We offer both free and premium skill development courses. Each course clearly mentions whether it's free or paid before you enroll.

How can I join a course?

Simply visit our website education.jobcard.live, select your desired course, and click Enroll Now. You can start learning instantly after registration.

Can I get a refund if I'm not satisfied?

Refunds are available under specific conditions as per our Refund & Cancellation Policy. Please contact our support team for assistance.

Do you update your courses regularly?

Yes! We continuously update our training materials to match current industry trends and employer requirements.

Will I receive a certificate after completing a course?

Yes! After successfully completing a course, you'll receive a verified digital certificate from JobCard Education, which you can add to your resume or LinkedIn profile.

Can I access courses on my phone?

Yes. All our courses are mobile-friendly. You can learn anytime, anywhere using your smartphone, tablet, or computer.

Do I need any experience before starting?

No. All courses are beginner-friendly, designed to help you learn from scratch and build strong practical knowledge.

How can JobCard Education help me get a job?

Our goal is to make you job-ready. By completing our skill-based courses, you gain practical knowledge that increases your chances of getting hired especially as a fresher.

How do I stay updated about new courses?

Follow us on Facebook, Instagram, and YouTube or subscribe to our newsletter for the latest updates on new skill programs and job opportunities.
